Did you see that Marine in town over the week end? We heard there were two there for passenger cars and are to be but we saw only one. In fact placed on the lower right hand side of the office to see us. And we are sure proud of him. One thing he always was a good looking boy, and that uniform didn't detract any from those looks. We mean Ollie Barker, the 1942 Quota, \$5.00, fifty cents, youngest son of Mr. and Mrs. Russell Barker of the Big Store Furniture. Ollie enlisted in the Marines about six months ago and since that time has been training in South Carolina. He has been transferred to New River, N. Carolina, for more training. Ollie was married last Thursday to Miss Juanita Crager of Clearfield. When we asked him about it, he said "I guess so but I was so scared that I didn't know much." And we thought a marine was not afraid of anything.

Ollie has two brothers in the service. Elva who has been in for nearly two years, is in the army and is in Hawaii where he has been for several months. He expects to be able to get a furlough before long.

The other brother is Clifford who is with the army in Florida. He expects to be sent over seas before long.

And that good-looking girl in the WAAC uniform was Lois Birchfield, who is now a lieutenant in the WAAC's.

Milton Davis was home last week for a ten days furlough with his parents Mr. and Mrs. Paxton Davis. Milton is now a sergeant in the armored division of the army and is stationed at Camp Campbell, Tenn.

Send in those letters, the boys like them even if you don't.

Pvt. C. Brown son of Mr. Bill Brown of 212 Morehead Kentucky has been transferred from Fort Benjamin Harrison to Camp McCain, Miss. for basic training.

The Letter That Never Was Sent

This letter was written by a Red Cross worker whose son was "missing in action".
Dear Son:
This letter you will never see, but I must pretend to myself that I can talk with you, in Africa or wherever you are. This is about the same here at home. The war comes closer to the people every day. Many are helping all they can seem to go along untouched. Sometimes someone says something that is hard to hear but I know it is just that they have not understood, that they would feel differently if they had had a wire from the War effort to inform you.

It is a long time since we got a wire like that and in these long months we have been forced to know what "missing in action" really means. They say that when you are not or are known list of killed and wounded we may have.
"Tonight I went down to the Red Cross Headquarters and made dresses for two hours. Somehow, I was happier there. We cut and folded the gauze dressings, and as the night wore on I was remembering the little wounds you and

You Are Wanted Come Sew, Picnic

Ladies, make your plans to help complete the 1942 quota of sewing for the Red Cross next week when you are all invited to the home of Mrs. Grace Ford for an all day meeting and sewing. Plan a potluck dinner. And be sure to come as there is a great deal of finishing to be done to get the things ready for shipment.

Remember, the date is next Thursday, March 4, 1943. Come and help and enjoy the day. The 1943 quota has been planned and many of the garments already planned. The quota is not large and, should already be finished on June 30. The ladies of the Baptist Church have agreed to look after the cutting and making of 85 long operating gowns. These are the hardest things we have to make this time. The O. E. S. are looking after the cutting and making of 58 nightgowns for women. The American Legion Auxiliary will cut and make, or see that they are made, 60 night gowns for girls and the Catholic women will make 72 girls' slips.

Aside from this there are still 55 bed jackets, 127 blouses for women and girls, 130 slips for women and 55 men's night shirts. If you are head of an organization in Morehead, can't you plan to have them help? Halde men and Farmers women are already helping of course we do not mean to infer with that the organizations are doing at this sewing. They are merely looking after these certain garments operating gowns. These are the hardest things we have to make this time. The O. E. S. are looking after the cutting and making of 58 nightgowns for women. The American Legion Auxiliary will cut and make, or see that they are made, 60 night gowns for girls and the Catholic women will make 72 girls' slips.

Mrs. Walker Dies Suddenly
Mrs. Noah Hall was notified Monday night of the death of her niece's husband, Mr. Gale Olson of Morgan County who died suddenly of a heart attack.

Mr. Olson had eaten his supper and sat down to read the paper when he was stricken. He passed away immediately.

Youth Day To Be Held At The Christian Church
The Christian Church will observe its semi-annual Youth Day of the year this Sunday, February 28th. It is the custom of the Church to recognize by these services the prominent places that youth has in the life of the Church.

The Morning Worship is dedicated to the Men of the 2nd. division of the Naval Training Division, who have made this their church home, and who have become intimate in the fellowship of the Church. Two of this section made the confession of faith and received the ordinance of baptism during their stay here. This group of loyal men will be presented following the Communion "The Service Men's Devotional Book".

The Worship Service will be conducted by the young people Mr. Ollie M. Lyon, president will deliver the message. This is the second year Mr. Lyon has been honored with the task.

Poultry Meeting To Be Sat. Feb. 2
Mr. C. E. Harris Field Agent in Poultry Work with the meeting on February 19th at the court house. However he is planning to meet with the court agent's and all interested poultrymen at the county agent's office in the court house at Morehead Saturday a. m. February 27th at 10 o'clock. All interested poultrymen are invited to attend this meeting.

Girls 18-38 Wanted By WAVES, SPARS
Information was received today from the U. S. Navy Recruiting Station at Ashland, Kentucky, that it is now possible for women between the ages of 20 and 36 to make applications for enlistment there. In either the WAVES or SPARS branches of the Navy and Coast Guard.

Educational requirements have been reduced to 2 years of high school or business school. Either married or unmarried women are eligible. The purpose of the WAVES and SPARS is to relieve men now holding shore jobs so that they may be able to join their companions in active duty at sea. These positions are for all types of work, skilled and unskilled, and are well paid. They are up in that capacity which they best able to adapt them. They are well paid and rated according to their qualifications. Members of the WAVES and SPARS are invited to apply.

Death Comes To Family Three Times In Week
Death has come three times to the Hardin family in less than two weeks. Last Monday, February 15, was received by relatives word of the sudden death of Alby Hardin in Ohio where he was working in a defense plant. He had suffered a stroke of paralysis that had caused his death. On that day, owing to shock, it is thought, his mother tragic hour. Mrs. Mary Hardin of Bangor and his sister Mrs. Farris Crostwaite were victims of paralysis. Mrs. Hardin died on Monday morning and Mrs. Crostwaite died on Tuesday morning in the Clearfield cemetery. The body of Mr. Hardin was brought to Morehead for burial. Services were held at Clearfield on Tuesday afternoon at 2 o'clock. Arrangements have not yet been made for Mrs. Crostwaite.

Depa'tment Answers Three Fire Calls

The Morehead Volunteer Fire department was called out twice Monday to answer a call to the Van Caskey home, on Main street. The first fire, early in the morning destroyed his furniture, except a living room suite. Later in the day the fire started up again. The house belonged to Ollie Caskey. The fire department was also called to the home of Joe Rice on Oakley Branch last Friday, but the fire did little damage.

Farmers Are Supplying College With Produce

Rowan County farmers are finding a new market for their farm products. The Morehead State Teachers College has proven to be a very satisfactory buyer for all farm products. A number of Rowan County poultrymen have been selling both eggs and chickens to the College Cafeteria. Last week the McBrayer brothers from the Poplar Grove neighborhood delivered 1 ton of potatoes to the College Cafeteria and were well pleased with the price they received. They received another order for potatoes to be delivered this week. Miss Cleland who has charge of the Cafeteria made the remark that she used 600 lb. of potatoes per day. If Rowan County farmers would produce enough potatoes to supply the College it would save a lot of freight and handling, both of which are short at the present time.

Ceiling Price Put On Some Vegetables

The Government clamped emergency price ceilings at present levels over five of the country's major fresh vegetables: tomatoes; green and waxed snap beans; carrots, cabbage and peas. It said the action was necessary to head off speculative price rises caused by the tremendous demand generated by canned goods rationing.

Effective Tuesday, the distributor of these vegetables may not sell at a higher price than he did in the five days between last Thursday and today. The surpluse price action applied to all dealers except the grower.

A few hours earlier the O-P-A had announced the price ceilings of dried peas, beans and lentils, and dried and dehydrated soups and asserted there was a possibility of more liberal allowances of rationed food in April.

During March, however, the previous announced allowances of forty-eight points per consumer will remain in effect. The price freeze on the five fresh vegetables will last for sixty days.

Woman Found Near Rodburn - Believed Murdered

The body of Ida Mason, of Isonville, Elliottville Co., was found at the railroad crossing at Rodburn Monday night at about 10:30, where it is thought it was thrown from a car. Although the body was covered with bruising, the quart inquiry held Tuesday was unable to come to any decision, except that she was killed and thrown from a car. She was about thirty years of age. Her relatives from Isonville claimed the body.

Many Farmers Attend Tobacco Meet Here

67 farmers met with the Co agent at the court house Friday February 19th. Mr. Russell Hunt Tobacco Specialist from the Experiment Station at Lexington outlined a good tobacco program for 1943 which briefly is as follows:

1. Seed crimson clover or vetch on all land which will be in tobacco the following year.
2. Use only rootrot resistant varieties such as 16, 41-A, and 33.
3. Treat the plant-beds with bluestone and lime.
4. Apply 6 to 12 loads stable manure per acre and broadcast 500 pounds or more phosphate per acre.
5. Set the plants farther apart in the row than you did last year.
6. Prime the bottom leaves and hang them on a stick in the barn.
7. Be prepared to use heat during curing season if it is needed.

At the conclusion of the discussion on tobacco a committee was appointed to plan the tobacco program for the county. This committee was composed of Jesse McBrayer, W. H. Johnson, Sam Litton, F. M. Brown and H. L. Conley; and they planned the following program: 2 variety tests comparing at least 8 different varieties of tobacco; 10 demonstrations on trellis plant-beds; 6 demonstrations comparing heavy applications of fertilizer with lighter applications; 6 demonstrations on priming and saving bottom leaves; 10 demonstrations on curing.

Methodists To Hold Week Of Dedication
The week of February 28 through March 7 has been designated as a week of Dedication evening Rev. C. A. Sweeney will bring the message and conduct the business session of the 2nd. Quarterly Conference. This will be Bro. Sweeney's last meeting with us in the capacity of Methodist Church will participate in this week by having its Superintendent assuming the Superintendent of the Methodist Orphan's Home at Versailles, Rev. Geo. C. Frey of Owingsville will be the speaker on Friday night. These services will begin each evening at 7:30. You will not want to miss a single one of these special services. There will be a different speaker for the singing of some of the old songs that all love. The pastor, Rev. C. L. Cooper, will present a different subject each night. The following local men will speak on Monday, Tuesday and Thursday nights; Mr. C. P. Week of Dedication.

Gabriel C. Banks, professor of English at Morehead State Teacher College, has accepted the chairmanship of the Red Cross War fund drive for Rowan county. The preliminary plans for the campaign were announced this week by Mr. H. C. Hagan, chairman of Rowan county Red Cross Chapter, and Mr. Banks.

Members of the planning committee, working with Mr. Banks are Allie Messer, J. O. Everhart, John Francis, John Palmer, Dock Lambert, C. P. Caudill, Glenn Lane, Roy Cornette, and Lester Hogge.

The executive committee of the has been enlarged by the addition of Allie Messer and Judge Dan Parker.

The entire month of March will be devoted to a nation-wide campaign, the usual Roll Call being merged with a drive for a War Fund totaling \$125 million. Of Rowan County's \$8,000 quota \$7500 will be retained by the local chapter. No other county in the district is to keep the larger share of the funds collected, for no other county in this end of the state is handling as much Red Cross work as Rowan. Assistance to our own boys in uniform is handled by Mr. Hagan, and service to the sailors at the Naval Training School by Mr. W. H. Rice, the field director.

So many local families have sons in the services, all of them likely to need Red Cross help at one time or another, that the managers of the drive want every household and every business house to have a chance to contribute.

Leaders are being selected for every community and every road in the county, as well as for different neighborhoods in Morehead.

Local meetings are being held to give instructions and supplies to these workers.

The solicitation areas are small enough so that each worker will deal mostly with his own friends and neighbors. But for the protection of people who may not know the solicitor, every person authorized to collect money for the Red Cross will carry an official identification card, signed by himself and countersigned by Mr. Banks.

Mr. Hagan and Mr. Banks (Continued On Page Three)

Oh, thus be it ever when free men shall stand
Between their lov'd home and the war's desolation.
Blessed with vict'ry and peace may the heav'-prescued land
Praise the Pow'r that hath made and preserved as a nation.
Then conquer we must, when our cause it is just
And this our motto: "In God is our Trust."
And the Star-Spangled Banner
A triumph shall wave
O'er the land of the free and the home of the brave

From where I sit....

by Joe Marsh

Last night at Jeb Crowell's house we were talking about the funny laws some people have put through in this country. "Railroad law I once heard about," says Basil Strube, the station-master, "said when two trains meet at an intersection, neither can proceed until the other one has gone ahead."

That's all over, it's hard to realize how people put up with a law like that, even as long as they did. From where I sit, a man's got every right to enjoy a glass of beer—as a friendly drink of moderation. And most folks are tolerant enough to respect the other person's right to do so. I reckon Jeb was right—we've had some mighty strange laws in this country.

Anyone who prefers to contribute directly without waiting to be called on may make his check or money order to the "Rowan County Chapter, American Red Cross," and mail it to either H C Haggan or G C Banks Morehead.

Several advance gifts of this kind have already been received. The names of the contributors will be announced at the end of the campaign. The largest single advance contribution was \$500 from the Kentucky Fire brick Company at Haldeman.

This is in addition to \$1360.00 from the company and its employees during the 1942 Roll Call and War Drive and another \$1500.00 from the company near the end of 1942. It also does not include any 1943 contributions from Kentucky Firebrick work 2 demonstrations of Columbia ers. The company does not spring out and an increase in solicit gifts for such causes from its employees, but it is planned to have them approached individually by authorized Red Cross solicitors.

February 28th is Red Cross of mixed fertilizers for sale in Sunday. Notices of this have been sent to all the ministers in the county. Probably in many churches next Sunday people will be reminded, either in the work of mercy and human kindness carried on by the American Red Cross, and so urged needed in these days of war.

TWO GREAT AMERICANS

This month we celebrated the birthdays of two of our greatest Americans, George Washington and Abraham Lincoln.

These two men had little in common except their love for America and their nation founded upon freedom and equality.

They started life under widely different conditions, but both arose to the highest office of our country. In this they typify the American Way of Life. Under the American system of free enterprise, you and your children, no matter whether you are rich or poor, have equal opportunity to succeed in life to the full extent of your ability. No other nation on earth can say truthfully that its citizens have the same opportunity.

Only with freedom of enterprise could the United States have become so fully the "Arsenal of Democracy." Our war effort makes the efforts of national socialist or dictatorship, nations seem weak and inefficient. The present war has exploded the old myth of totalitarian efficiency.

But in spite of all this, there are some people in America who want to scrap freedom of enterprise and replace it with political control of all business and industry. Let's keep the system which has given every American so much and made our nation the strongest on earth.

The men in our armed services greatly need books for leisure time reading. For the Victory Book Campaign send these you have most enjoyed... both fact and fiction but not dull old stuff. If you wish to leave books at our local office we will promptly forward them to the Victory Book Committee.

SOLDIERS... ON THE TRANSPORTATION FRONT

TRANSPORTATION is the backbone of any military effort. A No. 1 soldier, faithfully serving the nation's greatest war effort, is the man in the blue-grey uniform, the man most travelers know and admire... your Greyhound driver.

His job today of keeping military and essential civilian travelers on the move is no easy one, but he tackles it with eagerness and efficiency. Just watch his easy handling of the ever-growing, ever-crowding travel picture... his generalship, his untiring courtesy, his all-round ability to meet today's complex travel conditions. You can bet it takes a lot of basic training and schooled experience to turn out a veteran like that.

Greyhound is mighty proud of its men at the wheel... soldiers on America's Transportation Front. They're doing their part in winning the war.

Girl Scout News

The Brownie and Intermediate Scouts did not meet last week because the Victory Tea conflicted with their meeting hours. Their meeting place has been changed; henceforth they will meet in Breckinridge Training School instead of the Christian Church. Their next meeting will be held at Breck on Saturday at 12:30 P. M.

The Senior Scouts met last week at the home of Elaine Lyman. At this meeting various plans for the remainder of the year were discussed and a program committee, which will meet with Miss Woolrich at the Home Management House of the College on Thursday, March 4th was appointed. The Committee will decide on some of the activities for the Senior meetings for the next few months. The Senior's next meeting will be on Breck's last ball game of the season on Friday. They will devote this meeting to making surgical dressings in the Red Cross Room in the Science Hall. All Intermediates who can are urged to join them three at 7 P. M. on Thursday.

The Girl Scouts Victory Tea given last Saturday at the home of Betty Lane, was a complete success. We received \$32.90 worth of defense stamps. Later some of those unable to attend the tea in person sent contributions, swelling the total to \$44.90. We are planning to raise enough money to complete the second bond. The following helped with the tea: Janet Patrick greeted the guests at the door. Gay Banks, Virginia Letton and Martha Lee Penn-shaker were in the upstairs hall and bedroom to show them where to leave their wraps. Nannette Robinson introduced them to the receiving line which consisted of Barbara Shafer a Senior Scout, Betty Wolfford, an Intermediate, and Karleen George a Brownie. Ann Nickerson and Nell Fair poured the first hour and Janis Caudill and Margaret Sue Corrette the second hour. Those helping serve in the dining room were Betty Lane, Lydia Lou Clayton, Francis Bellamy and Mary Scott Wendall. Cookies were made and donated by Scout mothers.
